Foot Notes:

1. A shipment occurs when an aircraft is shipped from its production facility to a customer located anywhere in the world.
2. Shipments may include deliveries to a fractional operator owned by the company or to an aircraft dealer.
3. Aircraft are considered manufactured in the U.S. when produced under an FAA production approval and in Europe when under an EASA production approval.
4. Military aircraft shipments are not included in shipment table totals.
5. Company billings are not reported. Where available, GAMA estimates total billings using public information including B&CA Purchase Planning Handbook 2014.
6. CubCrafters CC11, Diamond Aircraft HK36 Motor Glider and Flight Design GmbH ASTM CT Series models are included in civil make-model shipment total, but not summary tables. This change is intended to properly capture all deliveries by the companies listed while maintaining a consistent baseline of shipments from previous years' reports. GAMA will further integrate CS-VLA and S-LSA aircraft into future shipment reports.
7. Airbus and Boeing twin aisle shipments are identified in the report, but their value is not included in the calculation of billings.
8. Airbus Helicopters updated model names are H120 (EC120), the H125 (AS350 B3e), H125M (AS550 C3e), H130 (EC130 T2, H135 (EC135 T3/P3), H145 (EC145 T2), H145M (EC645 T2), H155 (EC155 B1), H160 (X4), H175 (EC175), H225 (EC225e / EC225), and H225M (EC725).
9. DAHER was previously reported as SOCATA.
10. ONE Aviation Corp. was previously reported as Eclipse Aerospace Inc.
11. Piaggio Aerospace does not provide quarterly data, but reports airplane deliveries to GAMA on an annual basis.
12. NHIndustries is wholly owned by Airbus Helicopters, AgustaWestland and Fokker Aerostructures and provides the focal point for these companies for the NH90 programme. The deliveries of the NH90 are identified under the NHIndustries entry only.
